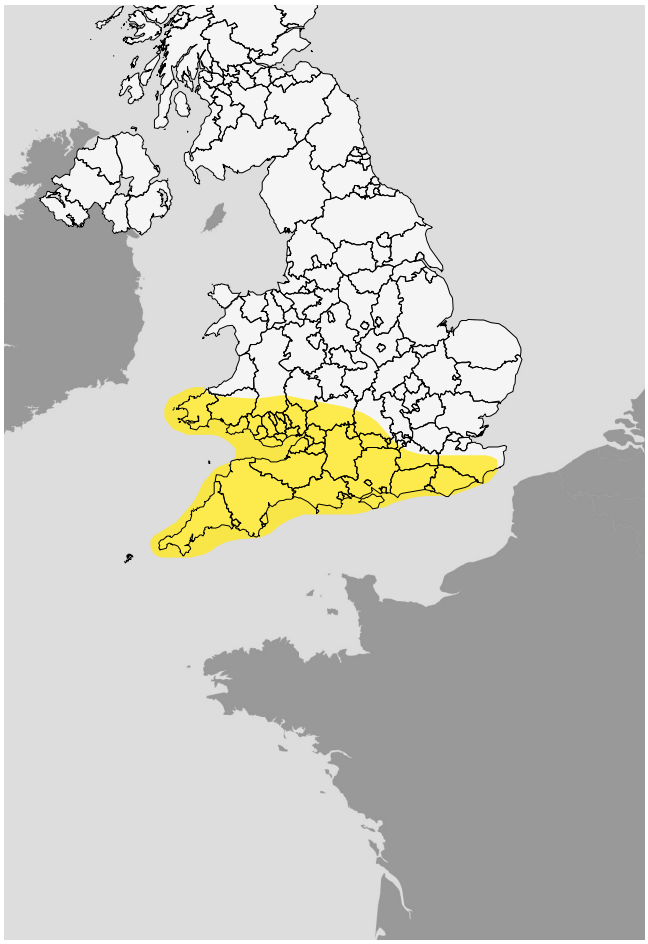
Yellow warning
Rain

Between
00:00 Tue 24 Sep 2019 and
15:00 Tue 24 Sep 2019



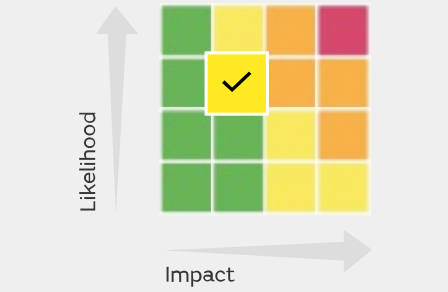
Heavy rain is likely to bring disruption to travel, particularly during Tuesday morning.

What to expect

- Bus and train services probably affected with journey times taking longer
- Spray and flooding on roads probably making journey times longer
- Flooding of a few homes and businesses is likely

Further details

Spells of rain and heavy showers are expected to affect southern parts of England and Wales during Tuesday. The heaviest rainfall is likely to be during the morning. Around 20 to 40 mm of rain is expected to fall quite widely, with the potential for up to 70 mm in a few locations. Much of the rain will fall in a relatively short space of time, typically less than 6 hours. The location of the very heaviest rainfall is currently still somewhat uncertain.



Medium likelihood of low impacts
